

PRODUCT SPECIFICATION

REF 666150 CEDERROTH SOFT FOAM BANDAGE BLUE, 40 CM

1 GENERAL PRODUCT DESCRIPTION

Description

Cederroth Soft Foam Bandage Blue is an elastic, self-adhesive, latex free bandage made of polyurethane foam. The bandage is protected by paper on both sides and packed in a cardboard box with dispenser function.

The bandage is intended to be used on minor wounds. The skin friendly, breathable bandage does not adhere to the wound nor skin and it does not lose its adhesive properties in water. It can also be used together with ointments or cream.

The bandage is clearly visible thanks to its blue colour which makes it suitable for use e.g. in the food industry.

The product is intended for single use.

Storage information

Dry storage in room temperature.

For maximum protection, keep in original package until use.

2 DETAILED PRODUCT INFORMATION
